

Aviation Medical Appointments

Thank you for booking an Aviation Medical Examination at Mornington Medical Group. Information for your appointment is below:

For more information on the CASA process for aviation medical certificates, please refer to the [CASA website](https://www.casa.gov.au/licences-and-certificates/aviation-medicals/medical-certificates) – (<https://www.casa.gov.au/licences-and-certificates/aviation-medicals/medical-certificates>).

Depending on your age, class of medical certificate and medical conditions, additional investigations may be required prior to your aviation medical examination. Please refer to the Additional test for pilots and air traffic controllers page on the [CASA website](https://www.casa.gov.au/licences-and-certificates/aviation-medicals/medical-certificates) - (<https://www.casa.gov.au/licences-and-certificates/aviation-medicals/medical-certificates>) for further information and ensure you bring copies of any reports or results to your appointment. If you require any assistance in arranging any of these tests or require clarification as to which tests are required, please do not hesitate to contact our reception.

Fees:

My current fee for conducting an aviation medical examination is \$300 **plus GST**. There may be other associated costs depending on your age and medical certificate class, including:

- ECG
- Blood tests
- Hearing test (pure tone audiogram or conversational voice test)
- Aviation eye examination ([Aviation Ophthalmologists](#) and [Optometrists](#) set their own fees)

Please ensure you complete the medical history questionnaire on the [CASA Medical Records System \(MRS\)](#) prior to your appointment.

If you wear glasses, please bring two (2) pairs to your appointment.

If you have any queries, please do not hesitate to contact our reception on 03 5975 2633.

Kind Regards,

Dr Michael Dobson
MBBS, FRACGP
